

Genomics driving Precision Health

3 December 2025: Conference

SO/ Bangkok Ballroom, 8th Floor Bangkok

4 December 2025: Demo Workshops

Mongkut - Petcharat Building, 11th Floor
King Chulalongkorn Memorial Hospital

Free Registration

Opening & Keynote

Dr. Supakit Sirilak, M.D.
Executive Director
Health Systems Research Institute (HSRI)

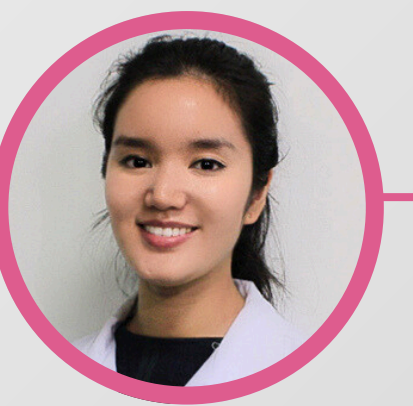

Keynote

Prof. Vorasuk Shotelersuk, M.D.
Faculty of Medicine,
Chulalongkorn University

Speakers

Topics

- State-of-the-Art Molecular Diagnosis: Current Landscape and Future Outlook
- From Bench to Bedside: Real-World Impact of Molecular Diagnosis
- Genetic Disease Prevention: Entering a New Era
- NGS in Practice: Tips, Tricks, and Lessons Learned
- Behind the Scenes: Guided Facility Tour
- Demo Workshop A (Wet Lab): Short-Read & Long-Read DNA Sequencing (15 Participants)
- Demo Workshop B (Dry Lab): Bioinformatics & Variant Interpretation (15 Participants)
- Thailand's Guideline for Genetic Variant Classification & Interpretation (invited only)

Moderators

Registration

1 September - 31 October 2025

3 Dec 2025

4 Dec 2025

02-256-4000 ต่อ 73103, 73104, 098-894-4922
